**ECONOMICAL,
HIGH-PERFORMANCE
COPYPRINTING**

Clean, simple, high-performance CopyPrinting

Fast, easy-to-use, press-and-go operation

Quick, 90 prints per minute (ppm) CopyPrinting is now as easy as copying. Simply set the original, enter the number of required prints and press the master key – that is all you need to quick start high-volume print on demand. Easy swap Drum Units allow you to add spot colour and the consumables can be replenished quickly and cleanly, saving you valuable time. Everything is designed to be as easy to maintain, as it is to use.

Quality, reliable CopyPrinting

The robust A4 CP6123a+ and the B4 CP6123b+ are designed to consistently deliver high quality, affordable results, so you can be confident that you can rely on these compact, durable CopyPrinters in demanding conditions.

The power of colour plus efficient PC connectivity

Bring your documents to life with the power of colour. The optional Colour Drum Units allow you to easily add attention-grabbing spot colour that will give your newsletters, leaflets and important documents far more impact and

memorability. It is simple to improve the speed and accuracy of all your colour and black and white printing by connecting direct to your PC through the optional computer interface. It provides the benefits of making masters and controlling printing using one combined, fully automated system.

In harmony with the Environment

Our products are designed to be kinder to the

environment. The CP6123a+ and CP6123b+ offer reduced power consumption for better and safer Operator working conditions.

Outstanding Software and Services

Designed to add value, our superb range of Software Solutions and Services will improve productivity, workflow efficiency and cost control throughout your organization.
